

Garden Club of Dearborn, Inc.

HOLLY BERRY BRUNCH

Saturday, December 6, 2025
DoubleTree by Hilton Hotel Detroit - Dearborn
10:30 AM – 2 PM

Dear Prospective Gift Donor:

As Co-Chair of this year's Holly Berry Brunch (HBB) for The Garden Club of Dearborn, I would like to request your support again of our 28th annual fundraiser. This year, we celebrate our 110th anniversary as a service organization in Dearborn and this event is our primary fundraiser. Your support will enable us to continue to serve the community in important ways.

Each year we offer a number of scholarships to students enrolled in Environmental Science programs at Henry Ford College and the University of Michigan-Dearborn. The Garden Club is also involved with locally based environmental programs and related youth outreach activities for Dearborn Public Schools students. Other projects supported by this fundraiser enhance the quality of life in our community, including landscape beautification at Fair Lane Estate and a Blue Star Memorial.

A small portion of the proceeds will be used to underwrite the cost of monthly educational programs related to gardening and ecology, which are available to the general public at no cost.

Donations of items, gift certificates, admission tickets and goods/services, which will be used for our Raffle or Silent Auction, provide a great opportunity to showcase your services and products. Recognition of your donation in our event program will increase awareness of your business among HBB attendees from the tri-county area.

Enclosed is a form to describe your donation. Please include the top portion of the form with your donation and retain the bottom portion for your own records. If you would like someone to pick up your donation, please see the contact information on the form. ***The Garden Club of Dearborn is a 501(c)(3) Nonprofit Organization.***

I deeply appreciate your consideration of this request. Thank You!

Sincerely,

Terri Bungee
